- 1.4. Variations of the Contract shall be effective only if agreed in writing and will then prevail over these Terms.

2. QUOTATIONS, SPECIFICATION, VARIATION AND CANCELLATION

- 2.1. A quotation is not an offer and may be withdrawn or modified; save as otherwise agreed in writing by the Company no contract or commitment shall exist until the Company sends its Order to the Purchaser or until the Company commences work on or appropriates Goods to the contract. Unless otherwise stated therein a quotation will lapse 30 days after its date of issue.
- 2.2. Orders are accepted subject to the credit status of the Purchaser being satisfactory to the Company which may cancel the Contract at any time if the Purchaser's credit references are not satisfactory to the Company.
- 2.3. The Company may alter the specification of any Goods if this does not materially affect their performance or utility.
- 2.4. If any variation in the Goods or the Contract is agreed or is required for compliance with any applicable law, regulation or safety recommendation the Purchaser shall pay such additional amount as is fair and reasonable and the Company shall have reasonable additional time to perform the Contract.
- 2.5. The Purchaser may only vary or cancel the Contract with the Company's written consent and upon such terms as the Company may specify.

3. PRICES AND PAYMENT

- 3.1. Subject to any Order, the Price shall exclude value added tax and any other applicable taxes and duties, packaging, carriage, insurance, documentation and pre-billed charges. Unless costed for in any Order, the Company may make reasonable additional charges for complying with any special requirements of the Purchaser and may increase the Price at any time before delivery to reflect any increase in the cost of the Goods to the Company which is due to any factor outside its control, including without limitation foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in labour, material or costs of supply. Payment, subject to any Order, shall be made at the Company's office in England, clear of any banking transaction charges and without deduction, set off or counterclaim. Payment shall be made in accordance with the payment terms and in the currency stated in any Order, or if none are stated, within thirty days following the end of the month in which delivery of the Goods is made or the Services provided, or on earlier demand.
- 3.2. Time of payment is of the essence of every Contract. Without limiting the Company's remedies if payment is overdue, the Purchaser shall indemnify the Company against any legal fees and other costs of collection and (as well after as before judgment and as an independent obligation) shall pay to it a sum equal to any loss suffered by the Company arising from exchange rate fluctuations and interest on such sum and on the amount overdue at 5% above the base rate from time to time of Natwest Bank PLC calculated from the date payment fell due until the date of actual payment (or such lesser amount as is the maximum rate permissible by law) and the Company may cancel the Contract and any other contracts and suspend deliveries to the Purchaser.
- 3.3. Any payment which, by reason of delay caused by the Purchaser, would have fallen due earlier than it falls due under these Conditions, shall be deemed to fall due when, but for the Purchaser's delay, it might reasonably be expected to have fallen due.

- 3.4. The Purchaser shall indemnify the Company against any liability in relation to any breach by the Purchaser of its obligations under the Contract.
- 3.5. If the Buyer pays the Price by credit or debit card at the time of submitting an Order, the amount quoted by the Company to the Buyer at the time the Order is submitted will, if accepted by the Company, be charged to the Buyer's credit or debit card (as applicable) within 24 hours of the Company's issue of the Order Confirmation (or such other period as the Company may reasonably determine). In the event that any additional charges are imposed by the Company in respect of the Order under these Conditions, the Buyer hereby authorises the Company to charge such additional charges to the Buyer's card within 24 hours of the Company incurring such charges (or such other period as the Company may reasonably determine).
- 3.6. If the Buyer pays the Price by credit or debit card at the time of submitting an Order, the Company reserves the right to add a surcharge of 5%.

4. RISK AND PROPERTY

- 4.1. Risk of damage to or loss of the Goods shall pass to the Purchaser at the earlier of the time when the Company notifies the Purchaser that the Goods are available for collection or upon the Company first tendering the Goods for delivery at the Purchaser's address stated on the Order.
- 4.2. All other material or goods of or provided by or on behalf of the Purchaser in the possession of the Company or otherwise shall be held, worked on and carried at the Purchaser's risk in every respect. The Purchaser shall insure accordingly.
- 4.3. Notwithstanding delivery and the passing of risk in the Goods and any other provision of the Contract, title to and ownership of the Goods shall not pass to the Purchaser until the Company has received the price in full in cash or cleared funds.
- 4.4. If at the date that payment in full for the Goods is made any other monies then due for payment by the Purchaser to the Company on any account have not been paid, title to the Goods shall not in any event pass to the Purchaser until the Company has received in cash or cleared funds payment in full of the monies overdue.
- 4.5. Until such time as property in the Goods passes to the Purchaser, the Purchaser shall:
 - a) hold the Goods as the Company's fiduciary agent and bailee;
 - b) keep the Goods separate from those belonging to the Purchaser and third parties and properly stored, insured and identified as the Company's property; and
 - c) the Company shall have a lien over any of the Purchaser's assets in its possession or control.

5. DELIVERY

- 5.1. Save as otherwise agreed in writing by the Company delivery shall be made by the Company making the goods available for collection from its premises and so informing the Purchaser or, if some other place for delivery is stated in any Order, by the Company or its nominated carrier tendering the Goods for delivery to the stated place. If the Purchaser fails to take delivery or to give adequate delivery instructions, the Company may (without prejudice to its other rights) store or dispose of the Goods, in which case the Purchaser shall pay to the Company upon request the amount of any reasonable storage or disposal charges. If the Purchaser does not take delivery or give adequate delivery instructions within 14 days of the Company's notification that the Goods are ready for despatch the Company may without prejudice to any other rights terminate the Contract in accordance with clause 10. Whilst the Company will seek to meet the stated delivery time, it is approximate and the Company shall

not incur liability in relation to late delivery. If no time for delivery is agreed the Purchaser shall accept the Goods when ready for delivery.

- 5.2. The Company may deliver in instalments constituting separate contracts and delay in delivery of any instalment will not entitle the Purchaser to terminate the Contract, nor permit the set off of any payments in respect of one delivery against any claim in respect of any other delivery. Where Goods are delivered by instalments the Company may issue separate invoices.

6. INSPECTION AND ACCEPTANCE

- 6.1. Unless the Company will or has issued an acceptance certificate the Purchaser shall inspect and test the Goods and within 7 days of their delivery (and in respect of services, within 7 days of the Company tendering their completion) shall give written notice to the Company of any damage or claim. In the absence of such notice, the Goods shall be deemed to comply with the Contract and the Purchaser shall accept them. The Goods are sold as a batch and without prejudice to the Purchaser's right to reject all the Goods the Purchaser may not reject some only of the Goods.

7. GUARANTEE

- 7.1. If within the Applicable Guarantee Period any Goods prove defective by reason of faulty design, workmanship, materials or non-conformity with their specification the Company will adjust, repair or replace them as it sees fit provided that:
- a) the Purchaser gives written notice of the defect (with reasonable relevant information) to the Company as soon as reasonably practicable and within the Applicable Guarantee Period;
 - b) the Goods have been used solely for their proper purpose and in accordance with the operating instructions;
 - c) the defect has not been caused by fire, accident, misuse, neglect, incorrect installation by the Purchaser or its customers, agents or servants, unauthorised alteration, repair or maintenance or the use of sub-standard consumables and has not arisen from fair wear and tear;
 - d) the defect has not arisen from any design, specification, component or material supplied by or on behalf of the Purchaser;
 - e) no part of the Goods have been replaced with a part not supplied or approved by the Company;
 - f) payment in full of all sums due in respect of the Goods has been made in accordance with clause 3.1;
 - g) the Purchaser shall be liable for any costs incurred by the Company in responding to claims caused by operator error or incorrect application or other default of the Purchaser or other third party;
 - h) the Purchaser shall accord the Company sufficient access to the Goods to enable its staff to inspect and adjust, repair, remove or replace the Goods;
 - i) the costs of all consumables shall be paid by the Purchaser;
 - j) the obligations of the Company are enforceable only by the Purchaser and shall not be assigned to or enforceable by any other person.
 - k) Returns for credit are only permitted with the Companies prior consent in writing. Such returns must be sent to the Company, quoting all relevant invoice shipping numbers. A re-stocking charge may be made of 20% of the invoice value. However, a higher rate will apply if re-packing or re-cartoning is necessary.

- 7.2. The Company may repair the Goods in situ or have them returned to its premises or to the original manufacturer; the risk in the Goods shall at all times remain the Purchaser's and they shall be packaged as the Company instructs and despatched at the Purchaser's expense and in accordance with the Company's returns authorisation procedure from time to time notified to the Purchaser. Costs of carriage on the Goods' return to the Purchaser shall be borne by the Company where the defect is covered by this guarantee.
- 7.3. The Applicable Guarantee Period for any Goods repaired or replaced or any corrective services pursuant to the initial guarantee shall be the remaining period, if any, of such initial guarantee period.

8. EXCLUSION OF LIABILITY

- 8.1. In an effort to keep the contract price as low as possible and as the Purchaser is better able than the Company to quantify loss which it may suffer from a breach of contract and to insure accordingly, the Purchaser agrees to the Company limiting its liability and therefore agrees that save as expressly agreed in writing or as mandatorily implied by law:
- a) the Company shall have no obligation in respect of the Goods except for its undertaking in clause 7 above ("the Guarantee") and as expressly stated in the Contract;
 - b) the Guarantee is the only guarantee, warranty or undertaking (express or implied) upon which the Goods are sold or licensed by the Company. Other than the Guarantee, all warranties, conditions or other terms (including those implied by statute or common law) are excluded to the fullest extent permitted by law;
 - c) nothing in this Contract shall exclude or limit the liability of the Company for:
 - a. death or personal injury caused by negligence of the Company or its personnel; or
 - b. fraudulent misrepresentation; or
 - c. any other liability to the extent that it cannot be excluded at law.
 - d. The Company's liability under this Contract shall be limited to 110% of the price paid for the Goods in the Applicable Guarantee Period immediately prior to the date on which liability arose. In no event will the Company have any liability whether based on contract, tort (including negligence), warranty or any other legal or equitable grounds, for any indirect loss, or, whether direct or indirect, loss of profits, loss or damage to goodwill or reputation, loss of revenue, loss of business, loss of data and loss of business opportunity arising from or related to this Contract howsoever caused, or any punitive, indirect or exemplary damages.
- 8.2. The Purchaser shall not rely upon any representation concerning the Goods unless made by the Company in writing in the Contract save that nothing in the Contract shall exclude liability for fraudulent misrepresentation.

9. REGULATORY COMPLIANCE, LICENCES AND PRE-DELIVERY TESTS

- 9.1. The Goods will comply with mandatory United Kingdom ("UK") regulations applicable to the manufacture and non-consumer sale of the Goods at the date of delivery but no other warranty or undertaking as to regulatory compliance in the UK or elsewhere is given or to be implied unless specifically given in writing signed by a director of the Company or stated in any Order. The Purchaser shall comply with applicable laws relating to the Goods, their use and disposal.
- 9.2. It is the Purchaser's obligation to acquaint itself and to comply with all applicable requirements and restrictions imposed by law or by governmental and other authorities or corporations relating to the possession, use, import, export, or resale of the Goods. It is the

Purchaser's obligation to ensure that no Goods are exported or imported in violation of the laws of any jurisdiction into or through which the Goods are transported during the course of reaching the point of delivery. Where necessary, the Purchaser must inform the Company at a reasonable time before delivery of the Goods of any documents which it is necessary for the Company to provide in order to allow export of the Goods in compliance with the laws of any relevant country.

10. TERMINATION OF CONTRACT

- 10.1. The Company may terminate separately all or any of the Contract and every other contract with the Purchaser if:
- a) the Purchaser fails to make payments to the Company under any contract as they fall due or the Purchaser otherwise breaches any such contract and the breach or non-payment is not remedied within seven days of notice from the Company; or
 - b) the Purchaser is, or is deemed to suffer an Insolvency Event; or
 - c) control of the Purchaser passes from the present shareholders, owners or controllers to other persons whom the Company in its absolute discretion regards as prejudicial to its reasonable interests; or
 - d) in the reasonable opinion of the Company the Purchaser has ceased or threatened to cease to trade or its financial condition has materially deteriorated since the date of the Contract and the Company considers due performance by the Purchaser of its obligations is in jeopardy; or
 - e) where the Purchaser is an individual or partnership, he or any partner dies or any steps are taken with a view to making a bankruptcy order against him or any partner; or
 - f) anything corresponding to any of the above occurs outside England and Wales.
- 10.2. If the Contract is terminated, the Company (without prejudice to its other rights but subject to any relevant mandatory laws) may do any of the following:
- a) declare immediately payable (and so interest-bearing under clause 3.2) any sums owed by the Purchaser, proceed against the Purchaser for the same and/or damages, and appropriate any payment by the Purchaser as the Company thinks fit (notwithstanding any purported appropriation by the Purchaser);
 - b) suspend further performance of any Contract and/or any credit granted to the Purchaser on any account (and the time for delivery by the Company shall be extended by the period of such suspension);
 - c) take possession of and deal with (including the sale of) any materials and other assets of the Purchaser held by or on behalf of the Company and apply any proceeds of sale in payment of any sums owing under or damages arising in connection with any Contract including any interest and costs arising thereon.
- 10.3. Where Goods are described as "specials" in the quotation or Order a cancellation fee of 100% of the Price shall apply at any time.

11. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

- 11.1. The Purchaser shall acquire no intellectual property rights in the Goods but if the Order so requires the Company shall grant or procure the grant of a licence to use relevant software with the Goods to or at the direction of the Purchaser in accordance with the Order.
- 11.2. The Purchaser acknowledges that all specifications, designs, programs or other material including know-how, plans, drawings and price lists issued by or on behalf of the Company are confidential and agrees not to use them or any other confidential information of the Company for any purpose (other than the purpose for which the information was disclosed

- 11.3. The Purchaser shall obtain similar undertakings as those set out in sub-clause 11.1 from its customers and indemnify the Company against any liability in relation to any failure to do so. The Purchaser shall upon request sign and/or require its customers to sign the Company's form of non-exclusive licence to use programs necessary to operate the Goods; all obligations of the Company under any contract are conditional upon execution of such agreement and compliance with its terms.
